

CoreLine Malaga LED

ZRP220 AD60/60 A5

ZRP220 | AluRoad Acc.

The Philips CoreLine Malaga LED family consists of two sizes for urban street lighting. Both use a Philips LED engine as a light source and a Philips Xitanium driver – a combination that results in energy savings of 50%. CoreLine Malaga LED has been designed to be as efficient as possible. It offers the same performance as the SON-T 50, 70, 100 and 150W luminaires it replaces, providing the right amount of light in the right place. Furthermore, as the LED light engine in CoreLine Malaga LED will last for the lifetime of the luminaire, it will return your investment simply by saving on the multiple lamp replacements required with SON-T. With its extended gland feature, the CoreLine Malaga LED luminaire is easy to install with no need to open the luminaire to connect the power cable. At the same time, the flat glass cover can be removed to allow access to the driver for maintenance, if required. Special versions of Malaga lighting are available with extra options. However, these specials are manufactured to order only, and have a longer delivery time. The options include: Wide beam (DW) optic, additional surge protection device (10kV), Marine Salt Protection (MSP) paint finish, Micro Mini Pro photocell 35 Lux, a built-in (glass) 6A fuse, and a 3-meter external flying lead cable (H07RN-F). Not all these options can always be combined with each other. For more advice, please consult your Philips partner.

Product data

General Information	
Value ladder	Performance
Operating and Electrical	
Input Voltage	- V
Line Frequency	- Hz

Protection class IEC	-
Mechanical and Housing	
Material	Aluminum
Ingress protection code	-
Mech. impact protection code	-
Accessory color	Aluminum

CoreLine Malaga LED

Angle	-
Net Weight (Piece)	1.060 kg
Approval and Application	
CE mark	Yes
EU RoHS compliant	Yes
Product Data	
Order product name	ZRP220 AD60/60 A5
Full product name	ZRP220 AD60/60 A5

Full product code	872790062134100
Order code	910925227912
Material Nr. (12NC)	910925227912
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8727900621341
Numerator - Packs per outer box	1
EAN/UPC - Case	8727900621341
Product family code	ZRP220 [AluRoad Acc.]
