

## Surface-mounted two-gang switch ToDo IP20, black, 10pcs

Marka: Orno | Symbol: OR-OE-7201/B/10 | Ean: 5908254828218

### PRODUCT DESCRIPTION

The ToDo series provides simple solutions adapted both for home and professional real estate development use. It is a basic series of electrical equipment accessories which, thanks to its thoughtful and simple design, can be applied in a variety of uses in any kind of building. Due to the unique black colour of the switches, they fit perfectly into modern lofts or industrial settings. Good quality material ensures high protection against UV light as well as mechanical damage. The ToDo switch is also easy to keep clean. Its small size allows for installation even in hard to reach places, where traditional equipment is not an option, or in small, unusually

shaped spaces. In addition, special perforations and weakenings allow the cable hole to be easily broken in the right place. Thanks to IP20 protection degree it can be used safely for a long time. The two-gang switch is adapted to surface mounting and will be a good solution wherever we need a multiple light or electricity source control. The switch is in black color version, 10pcs. package.
