| Mounting support                   | Plinth side panels                                                                         |

## Complementary

|                            |                                           |
|----------------------------|-------------------------------------------|
| Fixing mode                | By fixing element - on structure location |
| Colour                     | Grey (RAL 7022)                           |
| Surface finish             | Epoxy-polyester powder                    |
| Permanent permissible load | 1300 kg                                   |
| Height                     | 200 mm                                    |
| Width                      | 600 mm nominal:                           |

## Environment

|                         |                        |
|-------------------------|------------------------|
| IP degree of protection | IP30 (complete plinth) |
|-------------------------|------------------------|

|                         |      |
|-------------------------|------|
| IK degree of protection | IK10 |
|-------------------------|------|

## Packing Units

|                              |          |
|------------------------------|----------|
| Unit Type of Package 1       | PCE      |
| Number of Units in Package 1 | 1        |
| Package 1 Weight             | 7.328 kg |
| Package 1 Height             | 20 cm    |
| Package 1 width              | 21 cm    |
| Package 1 Length             | 61.5 cm  |

## Offer Sustainability

|                            |                                                                                                                       |
